

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 9, 1997 LB 256, 256A, 280, 526, 550, 806
 LR 113

Senator Beutler for the way they were willing to massage this bill and make it less bad than what it was. I do believe that the current situation that the bill is addressing could be described as being somewhat out of control or not in control as much as it ought to be. Senator Kristensen offered an amendment, for those who were not here at the time, which narrowed and restricted the number of agencies and people who can have these undercover license plates and undercover driver's licenses. And, Senator Kristensen, because I think the bill is an improvement over the current system and we took out that reference to "federal", I can now vote for the bill.

PRESIDENT ROBAK: Thank you, Senator Chambers. The question before the body is the advancement of LB 256. All those in favor say aye. All those opposed nay. LB 256 advances. I raise the call. LB 256A.

CLERK: (LB) 256A, I have no amendments to the bill.

PRESIDENT ROBAK: Senator Kristensen, would you move the advancement of the bill.

SENATOR KRISTENSEN: I'd move LB 256A to E & R for engrossing.

PRESIDENT ROBAK: Question be.... Is there any discussion? Seeing none, the question before you is the advancement of LB 256A. All those in favor say aye. All those opposed nay. LB 256A advances. LB 550.

CLERK: Madam President, may I read some items before we get to that.
